GUEST LECTURE BY GPAT DISCUSSION CENTER

Date- 03/09/ 2026

A Guest Lecture on GPAT (Graduate Pharmacy Aptitude Test) was organized on 03/09/2026 at Anekant Education Society's College of Pharmacy, Baramati, with the objective of guiding pharmacy students regarding GPAT preparation, examination pattern, effective study strategies and future academic opportunities.

The session was delivered by Mr. Rupesh Choure, HOD, Latur GDC Offline Center, who provided valuable guidance on systematic GPAT preparation. He discussed effective study patterns, preparation techniques and useful mnemonics for better retention and revision. He also explained how the academic curriculum is correlated with the B. Pharm PCI syllabus, enabling students to understand how their regular academic studies can support their preparation for competitive examinations.

More than 200 students attended the lecture and actively participated in the session. The resource person provided guidance on conceptual learning, regular revision, time management and strategic preparation for GPAT. As a gesture of academic encouragement, books were gifted to a few students during the programme.

The programme was coordinated by Dr. Santosh Jadhav, Vice Principal, Anekant Education Society's College of Pharmacy, Baramati, with the support of faculty members and student coordinators.

Overall, the guest lecture was successfully conducted and provided students with valuable academic and career-oriented guidance for GPAT preparation and higher studies in pharmacy.

TEACHER'S DAY CELEBRATION**

Date- 08/09/ 2026

The celebration of Dr. Sarvepalli Radhakrishnan Jayanti and Teachers' Day was successfully organized on 5th September 2026 at 12.30 pm at the AESCOP, Ground Floor Lobby. The programme was conducted with the objective of remembering the valuable contributions of Dr. Sarvepalli Radhakrishnan towards education, philosophy, and nation-building, while also recognizing the dedication and contribution of teachers in shaping the academic and professional lives of students.

The programme provided an appropriate platform for students and faculty members to reflect upon the life, achievements, educational philosophy, and values of Dr. Radhakrishnan. The importance of teachers as mentors, guides, facilitators, and role models in the holistic development of students was emphasized during the celebration.

Students actively participated in the programme and expressed their respect and gratitude towards their teachers. The celebration created a positive and respectful academic environment and strengthened the bond between students and teachers. It also encouraged students to understand that education is not merely the acquisition of knowledge but also the development of discipline, ethical values, critical thinking, character, social responsibility, and a sense of service to society.

The programme successfully created awareness about the significance of Teachers' Day and inspired students to value the guidance and efforts of their teachers. The active participation and enthusiastic response of the students contributed to the overall success of the celebration.

RAJE UMAJI NAIK JAYANTI

Date- 07/09/ 2026

The celebration of Raje Umaji Naik Jayanti was successfully conducted on 07/09/2026 at 4:30 PM at the Ground Floor Lobby, AESCOP. The programme was organized to commemorate the birth anniversary of the courageous freedom fighter and revolutionary Raje Umaji Naik.

The activity provided an opportunity for students and staff to learn about his bravery, leadership, patriotism, and significant contribution to the struggle against British rule. The programme helped create awareness about the sacrifices of freedom fighters and encouraged students to uphold values such as courage, self-respect, patriotism, unity, and social responsibility.

The participation and response of the students and staff were encouraging. The activity successfully promoted historical awareness and inspired students to respect and remember the contributions of national and regional heroes. Overall, the programme was conducted smoothly and achieved its intended objectives.

As part of today's program, we have:

- A floral tribute ceremony to honour the program
- Reflections and speeches on his teachings and contributions by students

BLOOD GROUP CHECK UP TRAINING AT AEMS UNDER KAUSHAL VIKAS ACTIVITY

Date- 12/ 09/ 2026

The Blood Group Check-up Training Programme was successfully conducted on 12 September 2026 from 11:00 AM to 1:00 PM at Anekant English Medium School, Baramati, for students of Classes IX and X. The programme was conducted under the guidance of Mrs. Charusheela Jagtap, Ms. Sukanya Paricharak, Mrs. Komal Jagtap and Mr. Ketan Mehta, with the active support of 25 student volunteers from D. Pharm and B. Pharm classes.

The session began with an introductory explanation of blood groups, the ABO and Rh blood group systems, and the importance of knowing one's blood group. The students were provided with an understanding of the basic principle of blood group identification and the role of antigen-antibody reactions in determining blood groups.

A practical demonstration was conducted to explain the blood group check-up procedure in a systematic manner. Students were encouraged to observe the procedure carefully and understand the interpretation of the results. The faculty members provided necessary guidance throughout the session, while the D. Pharm and B. Pharm student volunteers actively assisted in conducting and managing the practical activity.

The programme generated considerable interest among the students and provided them with meaningful exposure to a basic healthcare procedure. The interaction between school students, faculty members, and pharmacy student volunteers promoted experiential learning and community-oriented healthcare education.

Overall, the activity successfully achieved its objectives of creating awareness regarding blood groups, introducing students to the ABO and Rh systems, and providing practical exposure to blood group identification. The active involvement of 25 D. Pharm and B. Pharm student volunteers also contributed significantly to the smooth and effective conduct of the programme.
